

ASSOCIATE MEMBERSHIP APPLICATION - 2017

Associate Level Membership - \$750 Fee

Associate Memberships are designed for consultants, manufacturers and other support service businesses not otherwise qualified for regular membership in FAHCS. FAHCS has a wide range of membership levels available, designed to meet the needs of business and to offer greater participation in all of FAHCS' events and organization. A full description of the benefits, per level, is below. The input of Associate Members is very important to our growth and future success. Although Associate Members may not vote, Associate Members are welcome to attend meetings and events all year. Benefits of the Associate Membership include: Listing on the FAHCS Website & Website login for Members list. Up to 50% can be used for lobbying purposes.
